

PACIFICA SCHOOL DISTRICT APPLICATION FOR WORKFORCE HOUSING COMMITTEE

Pacifica School District is interested in developing the former Oddstad School into Workforce Housing to provide below market rate rent and help our employees mitigate the high cost of housing in the Bay Area. The Workforce Housing Committee will typically meet once per month (the first Wednesday of the month from 3:30 to 5:00 pm). The purpose of the committee is to have representation from interested stakeholders to guide the project and assist with communication to stakeholder groups.

Two community members representing parents and the greater Pacifica community will be selected by the Board of Trustees. This application is to provide more information about interested committee candidates for the selection process. Your application will be included in the Board of Trustee Meeting Agenda (publicly available on our website). Your address, email address and phone number will be removed for the agenda.

For more information and developments, please visit our Pacifica School District website at: <https://www.pacificasd.org/District/2042-Oddstad-Property.html>. You may also contact Josie Peterson, Chief Business Official at jpeterson@pacificasd.org.
