## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

<b>Mathematics (grades 3-8 and 11)</b>	67	N/A	57	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-2021)

In the 2019-2020 school year, an Ortega team consisting of administrators, teachers, staff and parents with guidance from an family engagement consultant, designed, developed, implement and evaluated family engagement practices that lead to increased academic outcomes. The team aligned family engagement practices with the School Plan for Student Achievement (SPSA) and LCAP goals and priorities. The team participated in a Family Engagement Celebration in June 2020 to celebrate these family engagement efforts and to identify additional actions to continue to achieve the school's family engagement goals. In the 2020-2021 school year, Ortega parents along with parents from throughout the district participated in regularly scheduled meetings (Parent Advisory and Return to School Task Force) geared to providing input in the development of the redesign of the Distance Learning Program and the Continuum Learning Program (Distance, Hybrid, Full Return) plans.

The Ortega School PTO is an exceptional organization that enriches our school community and strengthens our curriculum through fundraising and volunteering. During both in-person and distance learning, the PTO supports or provides funds for assemblies, spirit days, student performances, art, PE, and our science labs. Many other parents also volunteer on our School Site Council, Garden, District Councils, PTO (and during in-person instruction: Library, Art and Science). Parents are active participants at fundraising and community events. Our contact person is our PTO president, Maria Jackson, who can be reached through her email at msmedina10@gmail.com.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions	0.9	0.2	1.5	1.4	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	TBD	TBD	TBD
Expulsions	TBD	TBD	TBD

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## School Safety Plan (School Year 2020-2021)

We monitor the school building and grounds to ensure student safety. Currently all students and adults must check in at the front doors and call the main office upon arrival. During in-person instruction, adults supervise the play yard and driveways before school, after school, and during recesses. When students are learning in-person, the district conducts an extensive annual earthquake drill to practice our school safety plan and we practice regular, monthly drills around the "Big 5" Safety Protocol. We continue to teach and model character development, based on our P.A.W.S. principles. Students are trained to use conflict resolution strategies, supported by the Soul Shoppe program. All classrooms are equipped with backpacks that include first aid and other emergency supplies. The School Safety Plan will be reviewed, updated, and discussed with the school faculty in 2020/2021.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	4

Pacifica School District has three district wide Professional Development Days. These 3 days have focuses aligned to District wide initiatives which are based on student achievement and school climate data. In 2018-2019, the first district wide PD day focused on school safety. The second day focused on the foundations to implementation of English Language Development. The third day was a menu of options with a focus on STEAM and History Social Science. In 2019-2020, the first day was focused on The BIG 5 and a School Site Safety Procedures and Plan. The second and third day were Site based with focus on school and district wide initiatives of Family Engagement, Cycle of Inquiry/Improvement Science, DataZone, Restorative Practices, Readers/Writers Workshop and 6-8 Science Adoption. Pacific School District also provides our new teachers and staff each year with Curricular based Professional development including Readers/Writers Workshop, TCRWP ELD, Bridges Mathematics, CPM Math and Fountas and Pinnell Assessment. In 2020-2021, the first two district wide professional development days focused on preparing for starting off the school year in full distance learning. Staff participated in accelerated learning training and the promotion of Social and Emotional development as we started the year from a distance. The third day's focus was on the San Mateo County Pandemic Recovery Framework, development of a report card standards and social emotional wellness specifically self care and trauma using the Community Resiliency Model. The fourth professional development day included training on Health and Safety and on the social emotional learning curriculum Caring School Communities.

We dismiss students at 1:35 p.m. every Wednesday to allow time for teachers to collaborate, both within and across grade levels. Teachers are able to meet in grade-level groups to review student work, plan instruction, and review teaching strategies. In addition, we provide staff with district-wide staff development days, with topics and professional learning opportunities that are specific to our site goals. Our district's Strategic Plan guides professional development in Literacy and Math to better prepare teachers to meet the academic needs of all students. District Coaches and Site Leads have supported and collaborated in English, Math, and Science curriculum and instruction with new teachers and veterans who seek the newest, most effective teaching strategies in 2018-2019 and 2019-2020. Substitute days are provided for staff as needed to facilitate their participation in professional development. Our staff also received professional development for implementation of the Soul Shoppe SEL program during years 2018-2019 and 2019-2020 and for implementation of the Imagine Math intervention program in 2019/2020.
